## EXPERIENCE

### POWERLAKE | WEB DEVELOPER

July 2021 – Current | Redlands, QLD

- Involved in the ongoing design and development of <https://powerlake.com>.
- Responsibilities include assisting the lead developer in database management, architectural design, Quality Assurance, testing and documentation.

### AMAZON | STOCKER

October 2020 – March 2021 | Lytton, QLD

- Involved in shelf replenishment of small, large and "sensitive" goods in a large team environment.
- This role included Quality Control, adhering to WHS guidelines and Amazon's inventory management practices.

### VACENTI | HOTEL SERVICES

March 2019 – May 2020 | Victoria Point, QLD

- Duties as a Kitchen Hand included working with staff and retirement villagers with disabilities and language barriers, dish washing, floor cleaning, food preparation, dining room presentation and food serving as a member of a small team.
- Duties as a Laundromat included the sorting, washing, folding and delivering of Vacenti's five retirement villages' worth of linen as a member of a large team.
- Both roles required adherence to Chemical Safety practices and WHS guidelines.

## PROJECTS

### STARTERUPP | TYPESCRIPT, REACT, PYTHON, DJANGO, SQL, SCSS, HTML5

2022

- As part of my Diploma of Website Development I was tasked with creating a PWA of my own choosing. This required setting up a RESTful API in the form of Django with Python and a decoupled front-end in React with TypeScript and SCSS.
- This application is live at <https://starterupp.com> and aims to act as a web application alternative to capitalisation charts.
- The source code for the front-end can be found at <https://github.com/B08waffles/starter-upp-react-front-end>.
- The source code for the back-end can be found at <https://github.com/B08waffles/starter-upp-django-back-end>.

### BOOK LIBRARY APPLICATION | JAVASCRIPT, EJS, NODE.JS, EXPRESS, MONGODB

2021

- As part of my Diploma of Website Development, I was tasked with creating a book library application in express.js. This application featured CRUD functionality on book, author and user objects with user roles and permissions being setup via HTTP-only cookies and sessions.
- You can find the source code for this project at <https://github.com/B08waffles/chapteronelibrary-webdev>.

Prior work experience and projects that have not been included here may be discussed upon request.

## SKILLS

### PROGRAMMING

Proficient:

JavaScript • Python • SQL  
• CSS3 • HTML5 •

Experienced:

TypeScript • L<sup>A</sup>T<sub>E</sub>X • SCSS

Familiar:

Bash • EJS • C# • MongoDB

### LIBRARIES/Frameworks

Django • Node.js • Express  
• React • ASP.NET • Bootstrap

### TOOLS/PLATFORMS

Git • Parcel • Webpack  
• Heroku • Wordpress • Docker  
• Vim • Debian & Arch Linux  
• Drupal • Trello • Jira

## EDUCATION

### TAFE QLD

DIPLOMA OF WEB DEVELOPEMENT

July 2021 - June 2022 | South Bank, QLD

### TAFE QLD

CERT III ELECTROTECHNOLOGY

July 2019 - December 2019 | Alexandria Hills, QLD

### WELLINGTON POINT STATE HIGH SCHOOL

QUEENSLAND CERTIFICATE OF  
EDUCATION

January 2008 - November 2012 |  
Wellington Point, QLD
